More about the workshop: The Green Eggs & Sand workshop, co-sponsored by Sapelo Island National Estuarine Research Reserve (SINERR), starts Friday evening, April 22 and ends around 12:00 PM on Sunday, April 24. Interspersed with expert presenters on horseshoe crabs (HSCs), shorebirds, biomedical use of HSCs, and HSC management, are sessions that explore the 2012 GE&S curriculum and provide demonstrations of the rich assortment of hands-on activities it offers. A site visit to view spawning horseshoe crabs is a special highlight of the weekend.

More about the lodging: Dormitory style housing is provided by the University of Georgia Marine Extension Service the Skidaway Institute of Oceanography and space is very limited! Please indicate if you require housing, along with any special dietary restrictions in the spaces below.

Other important information: Space for the workshop is limited and registrations are made first-come-first-serve. No-shows result in forfeiture of registration fee. **Full attendance at all workshop sessions is required for receipt of the 2012 GEAS curriculum package and workshop materials. Deadline for submission is March 1, 2016.**
