

**University of Georgia Marine Extension and Georgia Sea Grant  
Segment 2 Seafood HACCP Course  
Atlanta Farmers Market  
16 Forest Parkway, Forest Park, GA 30297  
April 20, 2017**

The University of Georgia Marine Extension and Georgia Sea Grant are offering a Segment Two Hazard Analysis Critical Control Point (HACCP) training course for seafood processors, packers, wholesalers, and importers. Under U.S. Food & Drug Administration (FDA) and Georgia regulations, seafood companies are required to have at least one employee with seafood HACCP training or experience to develop and implement HACCP plans specific for their product(s) and facility.

**ALL PARTICIPANTS:**

- Must complete the online Segment 1 course at <http://seafoodhaccp.cornell.edu/Intro/02.html> before registering for this Segment 2 course (documentation required)
- Will receive a certificate recognized by the FDA and the Georgia Department of Agriculture that documents they have been trained in seafood HACCP

**WHEN:**

8:30 AM to 5:00 PM, Thursday, April 20, 2017

**WHERE:**

Visitor Center, [Atlanta Farmers Market](#); 16 Forest Parkway, Forest Park, GA 30297

**COST:**

- **\$120 per person**, payable by credit card, check or money order made out to "UGA Marine Extension Service."
- Includes copy of FDA's Fish & Fisheries Products Hazards & Controls Guidance, 4<sup>th</sup> edition - April 2011. (If you prefer Spanish version, please note this on registration form.)
- **Payment MUST accompany completed registration form (next page) and be received by Thursday, April 6 to reserve your place.**

**Additional Information:**

- Class size limited to 15 people.
- You will receive emailed message confirming successful registration.
- Course is taught in English; participants are expected to remain entire time & fully participate.
- No lunch provided; attendees may bring food with them or purchase it from nearby restaurants.
