

Full Proposal Submission Process

A link to the Georgia Sea Grant Request for Research Proposals FY2018-2020 can be found at <http://gacoast.uga.edu/research/funding/sea-grant-request-proposal/>

Full proposals submitted in response to this solicitation must be prepared and submitted in accordance with the instructions provided below. Georgia Sea Grant uses a web-based system called eSeaGrant (eSG) that allows preparation, submission, and management of proposals online. **Full proposals that are not submitted via eSG will not be considered.**

For collaborative full proposals, only the lead institution should submit an application.

Instructions:

1. Download and read the eSG PI Manual provided on our website at <http://gacoast.uga.edu/research/funding/sea-grant-request-proposal/>
2. Use your registered account information to log into eSG at <http://eseagrant.uga.edu/>
3. Go to the "Current Tasks" tab and select "Georgia Sea Grant RFP FY2018-2020 (Full Proposal)".
4. Select "Add Proposal", add your "Proposal Title", and click on "Continue".
5. On the "Start Here" page, verify your "Proposal Title", add "Keywords", "Project Initiation", and "Project completion" dates.
6. Continue to click "Next" as you complete all the required information ("Principal Investigator", "Co-Principal Investigators", "Full Proposal Summary", "Focus Area(s) and SG Classification(s)", "Full Proposal Project Narrative", "References, "Graduate Trainee Details", "Budget", "CP Support", "Data Management Form", "Support Letters.").
7. After completing all the information, click on "Submission Preview" and download your full proposal for your records.
8. You may continue to edit your proposal until the full proposal deadline (**5:00pm ET on July 3, 2017**).
9. Click on "Submit" to officially submit your full proposal to Georgia Sea Grant. Please note that **full proposals that are not submitted via eSG will not be considered**. We will not accept any email applications.

For questions about application submission, review and approval process; the eSG system, please contact associate director, Dr. Mona Behl: mbehl@uga.edu.
