

eSeaGrant Submission Instructions for CPASW 2019 Abstracts

Electronic Sea Grant (eSeaGrant) is an online system for Sea Grant project management. Please utilize this system to submit your abstract for the 17th Annual Climate Prediction Applications Science Workshop (CPASW) in 2019. Should you have any issues please contact Dr. Mona Behl at mbehl@uga.edu or 706-542-6621.

Please use the following instructions to submit your CPASW 2019 Abstract using eSeaGrant.

Registration: You will first need to register in eSeaGrant in order to receive login credentials to create an application: <http://eseagrant.uga.edu/index.php>

- Please click on the “Register” tab to create an account. As soon as you complete registration following the 5 steps, you should receive a “Welcome” email. If you do not receive a “Welcome” email, please contact Dr. Mona Behl at mbehl@uga.edu or 706-542-6621.

- Login to the system once you have your account set-up to submit your abstract. Follow the instructions below on submitting abstracts.

Abstract Submission:

- To start your abstract submission, click on “Add Proposal” and enter a title for your abstract. On the next page, please enter in the appropriate information including “Title and Keywords”. *Please ignore the “Project Initiation” and “Project Completion” dates – they are not needed for the CPASW 2019 Abstract submission.*
- You will use the left-hand menu navigation to submit your information and abstract text.
