

Traineeship Application Submission Process

A link to the Georgia Sea Grant's Student Research Traineeship Program can be found at <https://gacoast.uga.edu/research-trainee-program/>

Applications that are submitted in response to this solicitation must be prepared and submitted in accordance with the instructions provided below. Georgia Sea Grant uses a web-based system called eSeaGrant (eSG) that allows preparation, submission, and management of proposals online. **Applications that are not submitted via eSG will not be considered.** Students must work with their faculty advisor to prepare and submit the application. Applications must be routed through your college/university's sponsored program office.

Instructions:

1. Register on eSG using this link: <http://eseagrants.uga.edu/>.
2. Use your registered account information to log into eSG.
3. Go to the "Current Tasks" tab and select "Add Fellowship Application".
4. Select "Georgia Sea Grant Research Traineeship Program -- FY2020".
5. On the "Start Here" page, verify your "Proposal Title" and add "Keywords".
6. Continue to click "Next" as you complete all the required information.
7. Make sure that you check "Mark as Complete" on each page as you complete the information.
8. After completing all the information, click on "Submission Preview" and download your full application for your records.
9. You may continue to edit your application until the deadline (11:30pm ET on March 30, 2020).
10. Click on "Submit" to officially submit your application to Georgia Sea Grant. Please note that applications that are not submitted via eSG will not be considered. We will not accept any email applications.

For questions about application submission, review and approval process; the eSG system, please contact associate director, Mona Behl: mbehl@uga.edu.
