

SHOEBOX AQUARIUM INSTRUCTIONS

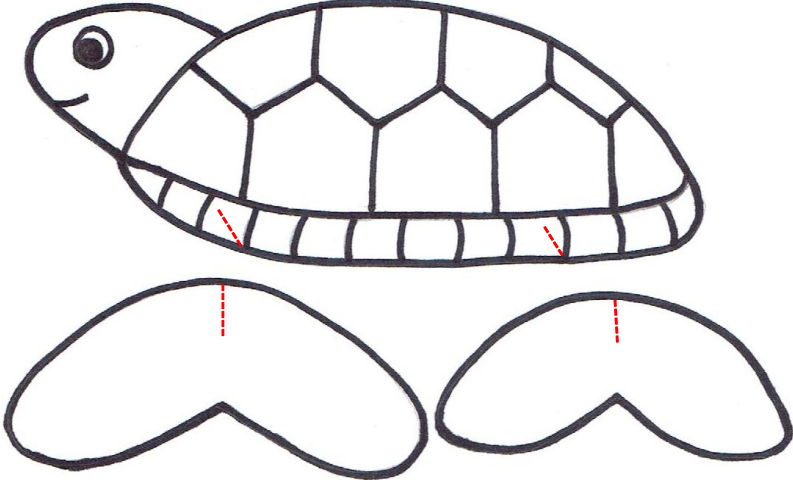

Materials needed:

- ❖ Pre-decorated shoebox
- ❖ Empty cardboard boxes
- ❖ Scissors
- ❖ Pencil
- ❖ Markers
- ❖ PDF animal templates
- ❖ String/thread (optional)
- ❖ Tape (optional)

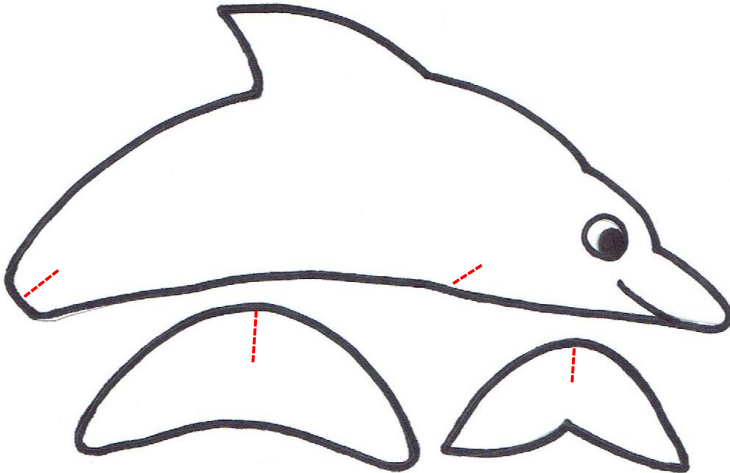

Directions:

1. Cut out the outline of the animal body and associated pieces.
2. Trace the animal cutouts onto cardboard.
3. Color the animal and add any appropriate features (eyes, mouth, patterns, etc.)
4. Cut out the animal.
5. Cut slits into the cardboard as indicated by dotted red lines.
6. Insert the extra features into the main body of the animal.
7. Add the animal to the decorated shoebox by placing the animal on the bottom or using string and tape to hang it from the top.
8. Enjoy the shoebox aquarium!
